Staffing

SN reported that all placing requests had been granted leading to an intake of 28 P1 pupils. A meeting had been held on 31st with parents to discuss the potential implications of the intake and provide parents with the opportunity to express their views.

The majority of the FSC meeting was then spent discussing the feedback from this P1 intake meeting.

It was decided that FSC would write to P&K Council expressing parental concerns over the large number of placing requests and seeking clarity on the strategic overview for granting requests.

SN to collate views of staff on possible options for the organisation of P1 and 2 and provide feedback on the entire session to parents.

SN to make a final decision on the organisation of P1 and 2 once final decisions on the teaching staff had been made..
